

# **BUILDING AND CODES DEPARTMENT**

## **STREAM WATCH REPORT**

Meeting Date: Thursday, January 28, 2010

### **Upcoming Stream Cleanup**

Our next stream cleanup event is scheduled for March 27, 2010. The location will be determined the closer we get to the event.

### **Partnership with Bay Metals**

Mr. Jim Zaborowski presented a request from Bay Metals for a partnership. Bay Metals is offering to recycle nonferrous metals that are removed during stream cleanup events and return the proceeds to the program. Karen Smith will follow-up with Mr. Jamie Hoskins who is the local manager at Bay Metals.

Mr. Zaborowski also mentioned that Mr. Hoskins is interested in partnering with the Elementary school to recycle nonferrous metals donated to the school and Bay Metals will match dollar for dollar in donations to the school.

### **World Water Monitoring Day (WWMD)**

Reported that 13 sites from Millersville were included in the worldwide event.

### **Audit Report - Millersville**

Ms. Smith distributed the city's response to the audit letter outlining the deficiencies. Millersville is currently working to meet all requirements.

### **R.I.D. Campaign**

Ms. Smith asked members if they had noticed the signs; this brings the City of Millersville into compliance with one aspect of the Stormwater requirements.

### **Dr. Richie Taylor – Director of Environmental Safety and Health Department at Western Kentucky University.**

Dr. Taylor was unable to attend, but Mr. Marty Gish represented his interest. A proposal for a partnership with the Stream Watch Program from Mr. Taylor for stream water testing was presented. (See Attached Proposal)

### **Sub-Committee Report – Clearing Gravel from Slaters Creek**

Ms. Amy Murray provided a video entitled, "In-Stream Gravel Mining" from TWRA, which lasted 15 minutes and was very informative.

## **Reports from Members**

Report forms received from members this past quarter were provided by David Sizemore, Phil Neil and Karen Smith.

Meeting adjourned at 6:20 p.m.
