

2017 Fall Community Stream Cleanup Event

Sponsored by OHM and Hosted by the City of Goodlettsville

Goodlettsville, TN (September 9, 2017) – OHM and Goodlettsville are jointly sponsoring/hosting a community-wide stream cleanup event from 9:00 a.m. to noon. **All participants will meet at the Public Works Department @ 215 Cartwright Street in Goodlettsville for sign-in and supplies. We will then proceed to staging areas that will be within Goodlettsville.** Gloves, bags, t-shirts, water, grabbers and certificates are provided! Please bring rubber boots and rain gear if forecast. This is a rain or shine event! LUNCH is provided from our Sponsors **OHM** at **Ryan's in Rivergate, 12-3 pm.**

"OHM Advisors is a community advancement firm designing award-winning work across the architecture, engineering, and planning spheres. They believe in the power of multidisciplinary teamwork to find ideas that aren't just different – they're better. Nearly 400 employees throughout Tennessee, Michigan and Ohio partner with leaders at all levels of government, DOT's, school districts, universities, private companies and developers, in order to create great places for people."

OHM, the City of Goodlettsville and local volunteers, such as you, help to clean up and maintain the area's water resources. This cleanup event will be focusing on litter and debris removal from Madison Creek, Dry Creek Tributaries and Mansker's Creek due to the recent flooding events that has washed debris into our waterways and causing blockages. Public Works crew will be assisting with chainsaws and trucks.

"Last Spring your support broke all previous participation records, let's do it again!"

Citizens who are interested in local water quality and the health of our local water bodies are also encouraged to meet with the Mid Tennessee Stormwater Group. For more information on the program visit our website www.goodlettsville.gov or like us on Facebook @ Mid Tennessee Stormwater Group.
