- **Daily, 9 a.m. – 3 p.m.**, There will be temporary lane closures on SR 141 in both directions for utility relocation, grading, and paving operations (LM 8.7 – 10.5).

Motorists are encouraged to use caution and obey reduced speed limits in all TDOT work zones, regardless of lane closure activity. Information in this report is provided to the Department of Transportation by the contractors. Most work is weather dependent and subject to change due to inclement weather. From your desktop or mobile device, get the latest construction activity and live streaming SmartWay traffic cameras at www.TNSmartWay.com/Traffic. Travelers can also dial 511 from any landline or cellular phone for travel information or follow us on Twitter at www.twitter.com/TN511 for statewide travel. As always, drivers are reminded to use all motorist information tools wisely and *Know Before You Go!* by checking travel conditions before leaving for your destination. Drivers should never tweet, text or talk on a cell phone while behind the wheel.
