

The City of Millersville will be suspending sewer cutoffs until April 30, 2020

The health and safety of our customers is our greatest concern. For this reason, we will be suspending service disconnections and late fees through the end of April. During this time, we encourage you to use our online payment options or contact us by phone for account information or to request services.

Please let us know if you have questions or need assistance in the days and weeks to come.

We encourage our customers to make whatever payment they can during this time, to avoid accumulating a large balance that may be harder to pay off later.
