

Goodlettsville/Millersville/Sumner County Stream Cleanup

When: Saturday, October 19th, 10:00am - 1:00pm

Where: [\[Map\]](#) 1181 Louisville Hwy , Millersville, TN 37072 (36.36928, -86.71026)

Description of activity: Volunteers will remove trash, tires, appliances, and other debris to beautify the community and reduce threats to wildlife. Volunteers can expect to walk in muddy areas with dense vegetation. All are welcome to participate in any capacity and are not expected to clean up any items or enter any areas they are uncomfortable with.

What to bring/wear: Bring a reusable water bottle. Closed-toe shoes are required, and boots are recommended. Some cleanup areas are in dense vegetation, so wear long pants and long sleeves. Please dress in clothes that you don't mind getting dirty.

What we provide: Work gloves, litter grabbers, trash bags, sun screen, bug spray, water, t-shirts, and food will be provided.

This event would not be possible without the support of the [City of Goodlettsville](#), [Sumner County](#), the [City of Millersville](#), and [Bridgestone Americas Inc.](#)
