

City of Millersville Accepting Bids for Construction of Asphalt Parking Lot

The City of Millersville is accepting bids for the construction, installation, asphalt paving and striping of 24 space parking lot at City Hall in Millersville, Tennessee. Must have liability insurance of at least \$1,000,000. Bids accepted at City Hall no later than 1:00 PM on October 27th, 2021. For Pre-bid meeting or visit, please contact the City Manager at (615) 859-0880 or at citymanager@cityofmillersville.com. Specs are available at www.cityofmillersville.com.

SCOPE OF WORK

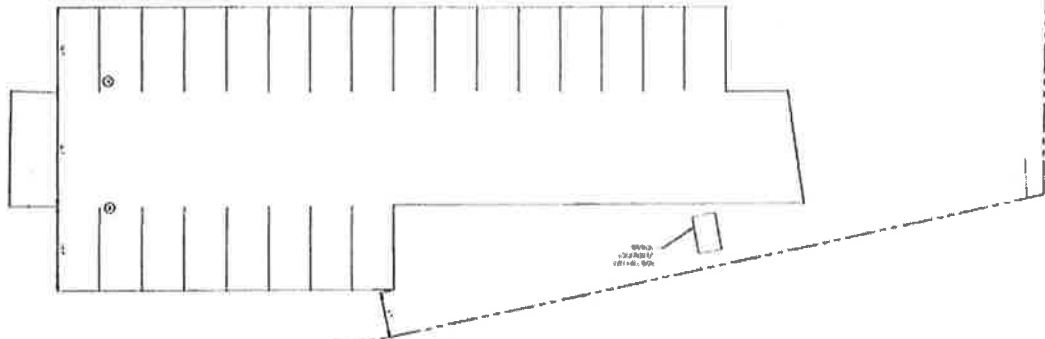

Parking Lot Construction Project at Millersville City Hall

Work will consist of construction of excavation, and construction of an asphalt visitor parking lot consisting of 24 spaces, 18ft deep and 9 ft wide per parking space, with 24 ft isle, as per the drawing. The proposed parking lot is located below the current visitor parking in front of the City Hall at 1246 Louisville Hwy, Millersville, TN 37072.

The work should be scheduled so to allow the existing parking to be used during the construction. Prospective contractors may contact the City Manager, J. Steven Collie at (615) 859- 0880 to schedule an on-site tour of the work area.

The Contractor shall:

1. remove existing top soil and haul to an approved site;
2. add sub-grade with gravel;
3. scarify and compact sub-grade;
4. remove any intrusive roots and large rocks or boulders;
5. replace and compact the base course to six (6) inches;
6. Pave area with three (3) inches of new compacted asphalt;
7. include compaction and testing;
8. match existing slope drainage with current parking lot;
9. re-stripe parking lots to match existing pattern and to level with current parking lot.
